Eugene/Jared,

Hope all is well. Wanted to give you a heads up that I will be filing a Motion to Amend Expert Disclosures today to add my economist who I apparently omitted, but also a plastic surgery expert given Stephanie's treaters' refusal to speak with my life care planner and the depositions left to be taken of other treaters. Given what is looking like a continuance of the trial to April/May or some time after that next year, don't know if you will have much of an objection, but wanted to run it by you nonetheless. Either way, please let me know so I can reflect same in the filing. Thank you.
